Caring for needy kids since 1998

May 15, 2017

Dear All,

This is our **20th year caring for children**, including the orphaned, abandoned, abused and handicapped. And, we help them through protection, education, and special care for the disabled. For the last 19 years you have assisted us with at least **81 different organizations** benefiting children and we thank you sincerely.

This year, we have raised 1,185,000 baht to date and now that the children are back in school and summer around the corner, it's also time to intensify our fund-raising efforts.

Our target charity is the **Fountain of Life Center in Pattaya**, which provides slum children with day care, safe from abuse, identities to enter school, medical/dental care, meals, and scholarships.

The **Camillian Home in Lat Krabang** is another concern of ours, which provides 24/7 care for disabled children, including those living with HIV. We also assist other children projects, as well as participate in joint ventures with likewise organizations.

If you would like to join us this year, please refer to the sponsorship levels and benefits below:
